

Consent for the Volkswagen Service “We Experience”

When you activate We Experience, we will provide you with personalised recommendations, tips and benefits in your VW Connect app from Volkswagen AG, the partners of Volkswagen AG (e.g. restaurant coupons) and the sales and service partners of Volkswagen AG. To do so, we use an automated creation of profiles based on your personal data (profiling). For example, we process your location information to automatically recommend nearby restaurants. We require your consent for this data processing. Details on the processing of your personal data can be found in the Privacy Policy.

You can withdraw your consent with future effect at any time by deactivating We Experience via the settings in the app.
